Kidman Resources Limited (Company) refers to its announcement on 10 July 2017 in which it advised the market of its successful defence of the proceedings brought in the WA Supreme Court by Marindi Metals Limited (MZN).

Justice Kenneth Martin has today given his decision on the question of costs and has ordered MZN to pay the Company's costs of the proceedings. His Honour further ordered that these costs be paid by MZN on a full indemnity basis from 1 March 2017.

The Company is pleased with this further vindication of the position it adopted during the proceedings. The Company is now focussed on delivering to shareholders the benefits of the transaction signed with SQM yesterday.
